We are approved by

OUR Pillars

Our organization is motivated by a strong commitment to excellence. As a market leader in Saudi Arabia's general contracting sector, we offer a wide range of services such as heavy equipment rental, technical help, construction, and trading. Our mission is to elevate standards for quality and innovation. Each project exemplifies our dedication to precision, integrity, and long-term success. We can achieve great outcomes when we work together, laying the way for a future focused on excellence.

Al Mutairi Eid Helal
CEO, Gulf Pillar General Contracting

"We deliver unparalleled excellence in general contracting—heavy equipment rental, technical support, construction, and trading. Our mission is to exceed your expectations and build strong, trusted partnerships. Count on us for exceptional results. Thank you for your trust."

Afnan Latheef
General Manager, Gulf Pillar General Contracting

About Company

█ **"Gulf Pillar General Contracting** is been a beacon of excellence in Saudi Arabia's general contracting landscape, renowned for delivering a distinguished portfolio of services, including heavy equipment rental, technical support, construction, and trading. We are not just building structures; we are crafting legacies with unwavering precision, innovation, and integrity. Our esteemed team of experts is dedicated to transforming visions into reality, fostering trust, and exceeding expectations at every turn. With a commitment to unmatched quality and an eye for detail, we are shaping the future of the industry, one remarkable project at a time."

Our Vision

To lead the industry with unmatched excellence, integrity, and innovation, setting new standards and creating lasting value for our clients and communities.

Our Mission

- We aim to provide exceptional general contracting services that exceed industry standards and meet our clients' unique needs
- We strive to integrate cutting-edge practices and technologies to enhance operational efficiency and project outcomes.
- Our mission is to build long-term relationships and deliver solutions that provide sustained value and contribute to the success of our clients across the Gulf region.

Core Values

- At **Gulf Pillar**, our actions and decisions are guided by a set of core values that define who we are and how we operate.
- Our commitment to these values sets the foundation for a culture of excellence and innovation.

INTEGRITY

We uphold the highest ethical standards in all our interactions and transactions.

INNOVATION

We embrace creativity and continuously seek new ways to improve and advance.

Construction Department

Our Construction and Plant Maintenance Department delivers top-tier services, ensuring your projects are built and maintained to the highest standards. From initial planning to final execution, we specialize in industrial and commercial construction, as well as comprehensive plant maintenance. Trust us to minimize downtime, maximize productivity, and deliver results that meet your needs efficiently and safely.

Key Works

- Civil
- Mechanical
- Electrical
- HVAC

Plant Maintenance Services

We ensure your plant runs at peak performance with our expert maintenance and shutdown services. We handle routine maintenance, urgent repairs, system upgrades, and complete shutdown support. During shutdowns, we conduct thorough inspections, repairs, and upgrades to minimize downtime and ensure a swift, safe return to full operations. Our team addresses mechanical, electrical, and structural needs, delivering targeted solutions that keep your plant efficient, reliable, and ready for the future. Trust us to protect your assets and maximize your plant's productivity.

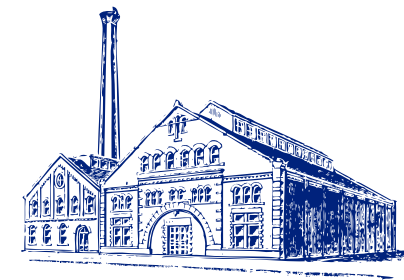

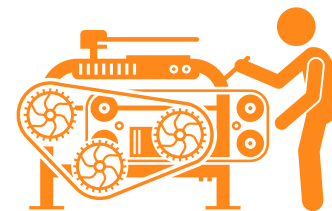

Areas of Expertise

Maintenance Works:

- Equipment inspections and diagnostics
- Preventive maintenance
- Mechanical and electrical repairs
- System upgrades

Shutdown Works:

- Comprehensive system inspections
- Machinery overhauls
- Safety compliance checks
- Major repairs and replacements

Material Trading

Our Materials Trading division supplies high-quality materials and equipment directly to heavy construction sites, including Aramco projects. We offer a range of products such as pumps, rubber hoses, mechanical seals, steel, and electrical components. With a strong supplier network, we ensure timely delivery, competitive pricing, and adherence to strict industry standards, meeting the critical needs of your projects efficiently.

- General Trading

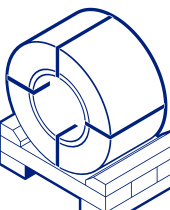

Steel Structure Fabrication

We lead the way in fabricating robust steel structures, delivering customized solutions that meet the diverse needs of various industries. Our team handles every aspect—from design and engineering to assembly and quality control—with unwavering precision and commitment. We ensure each project is built to the highest standards of strength and durability, delivering results that exceed expectations. Rely on us for efficient execution and timely delivery of your steel construction projects, ensuring your vision is realized with unmatched expertise.

Core Capabilities

- Design & Engineering
- Fabrication & Welding
- Assembly
- Quality Control
- Timely Delivery

Safety First - Our Commitment

- **Mandatory Training:** Employees are thoroughly trained in safety protocols.
- **PPE Enforcement:** Protective gear is required at all times.
- **Continuous Inspections:** Regular site checks prevent hazards.
- **Emergency Readiness:** Response plans and drills ensure preparedness.
- **Zero Tolerance:** Immediate action for any safety non-compliance.

"Secure Today, Safe Tomorrow."

"Be Aware, Show You Care."

"Safety is Not a Slogan,
It's a Way of Life."

Quality Management

"Quality is the pride of workmanship."

- **Strict Compliance:** Adherence to industry standards and regulations.
- **Thorough Inspections:** Regular audits to maintain quality consistency.
- **Employee Training:** Continuous skill development to meet quality benchmarks.
- **Precision Execution:** Attention to detail in every task, ensuring flawless outcomes.
- **Continuous Improvement:** Ongoing evaluation and enhancement of our processes.

"Quality isn't expensive, it's priceless."

"The road to success is paved with the stones of quality."
